EXPLANATORY NOTE

(This Note is not part of the Order.)

This Order in Council further amends the Order in Council of 25th September 1964, the Royal Warrant of 19th September 1964 and the Order by Her Majesty of 24th September 1964.

The Order increases the rates of retired pay, pensions, gratuities and allowances in respect of disablement and death due to service in the naval, military and air forces of the Crown during the 1914 World War and after 2nd September 1939. It also revokes the provisions for an allowance under article 12 of those instruments (allowances for eligible members of the family) for children who are eligible members of a pensioner's family, save in so far as the allowance is in respect of the first child within the meaning of article 12 and no allowance under that article is in issue to the pensioner in respect of a wife or an unmarried dependant living as a wife. It also restricts awards under that article and their continuing effect to children who are under the child's age limit or who are in full-time education and under the age of 19.

It further raises the maximum amount of annual earnings which may be received by a disabled person while deemed to be unemployable for the purposes of an award of unemployability allowance and it relaxes the conditions for presuming that the death of a disablement pensioner who at the time of his death was in receipt of constant attendance allowance under the above instruments was due to service.

The other amendments are consequential to the above.
