EXPLANATORY NOTE

(This note is not part of the order.)

This order:—

(a) creates a new parish to be known as the parish of Farnham, in the district of Waverley; and

(b) effects transfers as between parishes in the district.

The map forming part of this note (page 6) shows the areas as from 1st April 1984.

Prints of the boundary maps referred to in article 3 of the order may be inspected at the offices of the district council, and may be purchased from the Department of the Environment's Map Library.

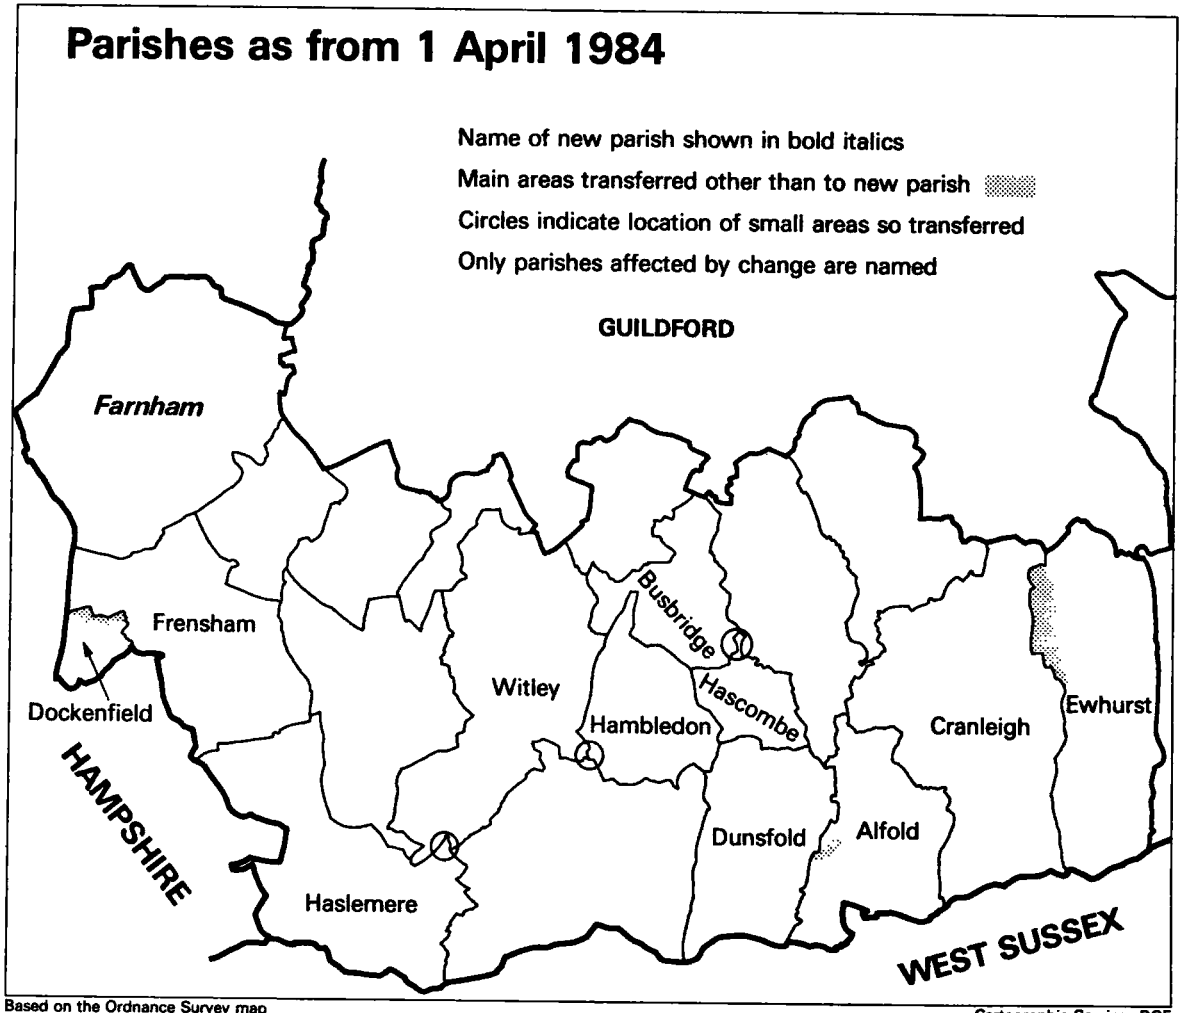

The new parish will have approximately an area of 3,658 hectares, a population of 35,160 and a rateable value of £592,984.

The order establishes a parish council for the new parish.

Incidental, consequential, transitional and supplementary provision for orders such as the present one is made by the Local Government Area Changes Regulations 1976 (see article 3).

The Regulations referred to will automatically transfer property within the definition of "parish matters" in Schedule 6 thereto from the district council to the new parish council. A further transfer of property may be effected by a second order when the district council and the new parish council have been able to consider this together.
