EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

This Order, which comes into operation on the 1st April, 1962, prescribes increased fees to be taken by the Board of Trade in respect of :—

(*a*) the verification of weights and measures (other than coin weights),

(*b*) the examination or testing of weighing or measuring instruments,

(*c*) the examination and testing of patterns of weights and measures and weighing or measuring instruments for use for trade.

The Order also prescribes for the first time special fees to be taken by the Board in respect of the verification of proving tanks.

The prescribed fees, except those in respect of (*c*) above, are to be taken in every case where rejection follows a completed test, but a refund of half the fee may be allowed where the rejection is based on inspection or on a preliminary test.

Reduced fees are payable for the reverification in situ, before the end of the periods within which they are required to be reverified, of weights and measures and weighing and measuring instruments for the use of inspectors of weights and measures, whether or not the reverification is made at the request of the Board of Trade.

The Order also prescribes fees to be taken by the Board for the examination of applicants for the post of inspector of weights and measures under a local authority.

The Order revokes the Weights and Measures (Board of Trade) Fees Order, 1953.
