EXPLANATORY NOTE

(*This Note is not part of the Regulations.*)

These Regulations amend the Weights and Measures (Marking) Regulations 1964 (S.I. 1964/1140), which provide (*inter alia*) that indications of quantity may only be marked on the base of containers if there is no wording visible elsewhere on or through the outside of the container.

The Regulations remove this qualification in relation to markings on the base of containers of toilet preparations intended for external use other than perfumes, toilet waters, hair or scalp preparations and soap.

(a) 1963 c. 31. (b) S.I. 1964/1140 (1964 II, p. 2549).
(c) The amendment does not relate expressly to the subject matter of these Regulations.
