(*b*) in Part III of that Schedule—

"Semolina (including flavoured semolina and coloured semolina).
Macaroni and similar products or substitutes.
Soya flour.
Dried dates.
„ prunes.
„ figs.
„ muscatels.
„ apples (including dried apple rings).
„ pears (including dried pear rings).
„ peaches.
„ apricots.
„ nectarines.".

2. These Regulations may be cited as the Sale of Food (Weights and Measures: Variation of First Schedule) Regulations, 1949, and shall come into operation on the 1st day of August, 1950.

Dated this 19th day of December, 1949.

Harold Wilson,
President of the Board of Trade.

EXPLANATORY NOTE

(*This Note is not part of the Regulations, but is intended to indicate their general purport.*)

These Regulations vary the First Schedule to the Sale of Food (Weights and Measures) Act, 1926 (16 & 17 Geo. 5. c. 63), by adding a number of articles of food to the list, set forth in Parts II and III of that Schedule, of foods the sale, packing and labelling of which are governed by the requirements of Section 4 of that Act.

4. SAND AND BALLAST

The Weights and Measures (Sand and Ballast) (Amendment) Regulations, 1949

1949 No. 910

Made - - - -	13*th May*, 1949
Laid before Parliament	14*th May*, 1949
Coming into Operation	18*th May*, 1949

The Board of Trade in pursuance of the powers conferred upon them by Section 5 of the Weights and Measures Act, 1904(**a**), and Sections 1, 2, 3, 4 and 5 of the Weights and Measures Act, 1936(**b**), and of all

(**a**) 4 Edw. 7. c. 28. (**b**) 26 Geo. 5. & 1 Edw. 8. c. 38.

other powers in that behalf enabling them, hereby make the following Regulations:—

Citation, commencement and interpretation.

1.—(*a*) These Regulations may be cited as the Weights and Measures (Sand and Ballast) (Amendment) Regulations, 1949, and shall come into operation on the 18th day of May, 1949.

(*b*) The Interpretation Act, 1889(a), shall apply to the interpretation of these Regulations, as it applies to the interpretation of an Act of Parliament.

Amendment of the Weights and Measures (Sand and Ballast) Regulations, 1938, as amended.

2. The Weights and Measures (Sand and Ballast) Regulations, 1938(b), as amended(c), shall have effect as if for Regulation 9 thereof there were substituted the following Regulation:—

"9.—(*a*) Every tip-cart measure and every common measure (except a common measure made in accordance with a pattern for which a certificate has been issued by the Board of Trade under Section 6 of the Weights and Measures Act 1904 or in accordance with such a pattern modified only as regards such minor details of construction as may be sanctioned by the Board of Trade) shall be fitted with two capacity indicators. The indicators shall comply with the requirements of Appendix I to these Regulations and shall be affixed to the measure as therein prescribed.

(*b*) The marks on the capacity indicators defining capacity shall constitute the calibration marks on the measure to which the capacity indicators are fitted.

(*c*) Every brim measure shall have its capacity defined by the brim of the measure, which shall be regarded as the calibration mark on the measure.".

Dated this 13th day of May, 1949.

John Edwards,
Parliamentary Secretary to the
Board of Trade.

EXPLANATORY NOTE

(This Note is not part of these Regulations, but is intended to indicate their general purport.)

These Regulations amend the Weights and Measures (Sand and Ballast) Regulations, 1938, as amended, by substituting for Regulation 9 thereof a new Regulation whereby it is not now necessary for a common measure to be fitted with capacity indicators if it is made in accordance with a pattern for which a certificate has been issued by the Board of Trade under section 6 of the Weights and Measures Act, 1904, or in accordance with such a pattern modified only as regards such minor details of construction as may be sanctioned by the Board of Trade.
