EXPLANATORY NOTE

(This Note is not part of the Regulations)

These Regulations prescribe the fees to be paid for the testing of weighing and measuring equipment with a view to its being passed as fit for use for trade and stamped. The fees are payable whether or not the equipment is passed.

They also prescribe the fees to be paid for the adjustment of weights or measures when a local authority provides an adjusting service.

The Regulations replace the Weights and Measures (Testing and Adjustment Fees) Regulations 1970 (S.I. 1970/1713). The sole change is that all fees are increased on a uniform basis.
