EXPLANATORY NOTE

(This Note is not part of the Regulations, but is intended to indicate their general purport.)

These Regulations re-enact with amendments the existing Regulations dealing with International Motor Insurance Cards, known as "Green Cards". They modify, in relation to motor vehicles which are specified in international motor insurance cards provided for visitors under international arrangements by the Motor Insurers' Bureau of Great Britain or a Bureau of a foreign country and are brought temporarily into Northern Ireland by visitors, the provisions of Part II of the Motor Vehicles and Road Traffic Act (Northern Ireland) 1930, which relate to the insurance of motorists against third-party risks.

The main alteration is that provision is made for the issue and acceptance as from 15th April, 1963, of a new form of international motor insurance card which will supersede the forms of card specified in the regulations now revoked. Other alterations concern hired motor vehicles brought temporarily into Northern Ireland by visitors and the recording of the particulars required to be furnished by visitors on entry into Northern Ireland with an insurance card.
