EXPLANATORY NOTE

(This Note is not part of the Order.)

Section 6(2) of the Nant Conway Rural Water Order 1954 (applied to the Welsh Water Authority by virtue of section 34(2) of, and Part II of Schedule 6 to, the Water Act 1973 (c.37) authorises the Authority to abstract not more than thirty-eight thousand gallons of water per day from the stream known as Afon-y-bedol. A licence authorising abstraction of water from the stream, held by the Authority under the provisions of the Water Resources Act 1963, contains provisions which differ from those in the said section 6(2).

This order brings section 6(2) of the 1954 Order into conformity with any licence under the Water Resources Act 1963 for the time being in force which authorises the Authority to abstract water from the Afon-y-bedol.
