EXPLANATORY NOTE

(This Note is not part of the regulations)

These regulations, which apply only in the Western Isles, amend regulation 3 of and Schedule 1 to the Western Isles Integrated Development Programme (Scotland) Regulations 1982.

The amendment to regulation 3 provides for a limit of total grant aid; no eligible person may receive grant aid for costs in excess of £100,000 on all the land developments he undertakes.

The new Schedule reduces the rate of grant for certain land improvement measures.
