EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

This Order replaces the Wheat (Great Britain) Order, 1949, as amended.

It sets out the fixed and maximum prices for wheat in Great Britain for July to November, 1951.

The price of M.A.F. sacks is increased from 1s. 6d. to 1s. 9d.

The maximum permitted charge for non-returnable sacks, other than M.A.F. sacks, is increased to 2s. 2d. per cwt. of contents, or on a sale of less than 1 cwt. to 2s. 5d. per cwt.

A reasonable charge is permitted for returnable sacks instead of maximum permitted charges being prescribed.

Growers may use for feeding to their livestock 25 per cent. of their wheat (including tailings and non-millable wheat) threshed after 30th June, 1951, or two tons, whichever is the greater.

The Order now permits seed wheat merchants to buy from growers.
