EXPLANATORY NOTE

(This Note is not part of the Order, but is intended to indicate its general purport.)

The White Fish and Herring Industries Acts, 1953 and 1957, enable schemes to be made for the payment of grants to the owners or charterers of fishing vessels engaged respectively in catching white fish or herring. The Acts provide that no grant shall be made in pursuance of such a scheme unless an application for such grant is received before the 1st May, 1961, or, if so prescribed by Order, the 1st May, 1963.

This Order prescribes the 1st May, 1963, as the day before which applications for grant are to be made.

As required by Section 5 of the White Fish and Herring Industries Act, 1957, this scheme was approved by a resolution of the House of Lords on 25th July, 1960, and a resolution of the House of Commons on 20th July, 1960.
