EXPLANATORY NOTE

(This Note is not part of the Scheme, but is intended to indicate its general purport.)

The White Fish Subsidy (United Kingdom) Scheme 1962 authorises the payment of special rates of white fish subsidy for certain classes of vessels. This amending Scheme makes provision for an increase of special rates for vessels within some of these classes and for the payment of special rates of white fish subsidy for some classes of vessels for which they are not already payable. The new and amended special rates are payable in respect of voyages made between the 1st January and the 31st July 1963, inclusive, and are specified in the Schedule to the Scheme.
