Industrial and Provident Societies Acts, 1893 and 1895," and all other enactments having reference in any manner to the section aforesaid shall be read and have effect accordingly.

CHAPTER 13.

An Act to continue the Wireless Telegraphy Act, 1904. [20th July 1906.]

BE it enacted by the King's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:

Continuance of the Wireless Telegraphy Act, 1904. 4 Edw. 7. c. 24.

1. The Wireless Telegraphy Act, 1904, shall continue in force until the thirty-first day of December one thousand nine hundred and nine, and section six of that Act is hereby repealed.

Short title.

2. This Act may be cited as the Wireless Telegraphy Act, 1906, and may be cited with the Telegraph Acts, 1863 to 1904.

CHAPTER 14.

An Act to consolidate and amend the Alkali, &c. Works Regulation Acts, 1881 and 1892. [4th August 1906.]

BE it enacted by the King's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, as follows:

PART I.

ALKALI WORKS AND ALKALI WASTE.

Condensation of muriatic acid gas in alkali works.

1.—(1) Every alkali work shall be carried on in such manner as to secure the condensation, to the satisfaction of the chief inspector, of the muriatic acid gas evolved in such work, to the extent of ninety-five per centum, and to such an extent that in each cubic foot of air, smoke, or chimney gases, escaping from the works into the atmosphere, there is not contained more than one-fifth part of a grain of muriatic acid.

(2) The owner of any alkali work which is carried on in contravention of this section shall be liable to a fine not exceeding in the case of the first offence fifty pounds, and in the case of every subsequent offence one hundred pounds.

Prevention of discharge of noxious and offensive gas in alkali works.

2.—(1) In addition to the condensation of muriatic acid gas as aforesaid, the owner of every alkali work shall use the best practicable means for preventing the escape of noxious or offensive gases by the exit flue of any apparatus used in any process
