EXPLANATORY MEMORANDUM TO

THE WORCESTER (ELECTORAL CHANGES) ORDER 2024

2024 No. 122

1. Introduction

1.1 This explanatory memorandum has been prepared by the Local Government Boundary Commission for England and is laid before Parliament by Command of His Majesty.

2. Purpose of the instrument

2.1 The Order provides for new wards and numbers of councillors for Worcester City Council at its elections in 2024 and thereafter.

3. Matters of special interest to Parliament

Matters of special interest to the Joint Committee on Statutory Instruments

3.1 None.

4. Extent and Territorial Application

4.1 The territorial extent of this instrument is England and Wales.

4.2 The territorial application of this instrument is England.

5. European Convention on Human Rights

5.1 As the instrument is subject to negative resolution procedure and does not amend primary legislation, no statement is required.

6. Legislative Context

6.1 The Commission has power under section 59 of the Local Democracy, Economic Development and Construction Act 2009 (the 2009 Act) to make an order giving effect to recommendations contained in a report, prepared under section 58(4) of the 2009 Act, after conducting an electoral review under section 56(1) of that Act. This instrument is being made to give effect to the Commission's recommendations for new electoral arrangements set out in its report prepared following an electoral review of Worcester City Council.

7. Policy background

What is being done and why?

7.1 The purpose of an electoral review is to decide on the appropriate electoral arrangements including the number of councillors and the names, number and boundaries of wards or divisions for a specific local authority. The Commission began the electoral review of Worcester City Council in March 2022. The Commission decided to conduct the review as it had been 20 years since the last review of Worcester in 2002 and the Commission is required to review every principal local authority in England 'from time to time'.

7.2 An electoral review aims to ensure that the number of electors represented by each councillor is as close to equal as possible, but the recommendations must also have regard to community identities and interests and the need for effective and convenient local government. To achieve these aims, the Commission tries to ensure that the number of electors per councillor in every division or ward is as close as possible to the average for the authority, but is happy to show flexibility in moving away from the average based on the evidence provided during the consultation stages of the review. Following a six-stage review process the Commission published its 'New electoral arrangements for Worcester City Council - Final Recommendations'[1] on 29 August 2023.

7.3 The Order provides for changes to the electoral arrangements for Worcester City Council at its elections in 2024 as recommended by the Commission. It should be noted that, at an Extraordinary Meeting of Worcester City Council held on 22 February 2022, the Council resolved to adopt, from May 2024, a new scheme for whole council elections under section 34 of the Local Government and Public Involvement in Health Act 2007 (c. 28), having previously elected by thirds. This change in electoral cycle was taken into account by the Commission as it drew up its recommendations. The existing wards of the Council will be replaced by 16 new ones. Three wards will each return three councillors and 13 wards will each return two councillors.

7.4 Under section 56 of the 2009 Act, whenever the Commission recommends changes to the electoral arrangements for a borough, district or county council it must also recommend whether, in consequence of those changes, any changes should be made to the electoral arrangements for any parish council that is within the authority. Among other things, under Schedule 2 to that Act, recommendations must ensure that no parish ward is split between new city wards, and under section 56 of that Act, recommendations must be made regarding the number of parish councillors for each parish ward.

7.5 Consequently, in addition to making changes to the electoral arrangements for the city the Order also, where necessary, makes provision with respect to the establishment of new parish wards and sets the number of parish councillors for each of those parish wards.

8. European Union Withdrawal and Future Relationship

8.1 This instrument does not relate to withdrawal from the European Union.

9. Consolidation

9.1 This Instrument does not amend or revoke any legislation.

10. Consultation outcome

10.1 The Order gives effect to recommendations that were consulted on during the review of electoral arrangements from May 2022 to June 2023. During the course of the review, the Commission received approximately 100 representations. The consultations involved the City Council, parish and town councils, local MPs, local

[1] https://www.lgbce.org.uk/sites/default/files/2023-08/worcester_-_fr_-_report.pdf.

residents and other interested parties. There was an initial 10-week consultation, during which the Commission asked for proposals on the most appropriate ward boundaries for the city. The Commission considered that a council size of 35 would ensure effective and convenient local government for the authority. Having considered the submissions received, the Commission published its 'New electoral arrangements for Worcester City Council – Draft Recommendations'[2] on 1 November 2022. Following a 10-week consultation on the draft recommendations, the Commission considered the further evidence received and published further draft recommendations for nine wards[3].

10.2 In response to the consultation on draft and further draft recommendations, the Commission modified its recommendations the for the Rainbow Hill and Warndon & Elbury Park areas, as well as in the southwest of the city. This was to ensure a better reflection community identities and interests, and to facilitate effective and convenient local government. The Commission also made minor and consequential modifications to Fort Royal and Nunnery wards. The final recommendations also included a number of changes to ward names in response to the consultations.

10.3 The Commission confirmed its draft recommendations for the remainder of the city as final.

10.4 A detailed analysis of the outcome of the consultation is set out in the report 'New electoral arrangements for Worcester City Council – Final Recommendations' dated August 2023. As indicated in the Order, the mapping referred to in the Order is normally accessible at all reasonable times at the Commission's offices. If any person wishes to view the map and the report, the Commission will consider this and seek to make appropriate arrangements. Moreover, the relevant map, as well as the report are accessible on our website, which is available at https://www.lgbce.org.uk/all-reviews/worcester#42986.

11. Guidance

11.1 The Commission does not intend to issue any guidance alongside this instrument. This is not considered necessary as the Order is self-explanatory and gives effect to recommendations following consultation with interested parties as to the changes to electoral arrangements.

12. Impact

12.1 There is no, or no significant, impact on business, charities or voluntary bodies.

12.2 The impact on the public sector will be limited to the area for which the Order makes provision. The one-off cost of producing the map referred to by the instrument is to be funded by the Commission. The one-off cost of amending the electoral register to reflect the new wards is to be funded by Worcester City Council.

12.3 A full Impact Assessment has not been prepared for this instrument because the impact is limited and relates to the specific local authority area under review.

13. Regulating small business

13.1 The legislation does not apply to activities that are undertaken by small businesses.

14. Monitoring & review

14.1 The Commission will have no role in monitoring the Council's implementation of the Worcester (Electoral Changes) Order 2024. The Commission is not required to undertake such monitoring; that is a matter for the relevant officers of Worcester City Council. The Order will be reviewed insofar as the Commission continually monitors local authorities in England to identify any that meet its criteria for electoral reviews.

15. Contact

15.1 Hayley Meachin, Communications & Engagement Manager at the Local Government Boundary Commission for England (Telephone: 0330 500 1250 or email: hayley.meachin@lgbce.org.uk), can be contacted with any queries regarding the instrument.
